DETAILED ACTION

Claim Rejections - 35 USC § 101

The rejection of record under this paragraph has been withdrawn.

Claim Rejections - 35 USC § 103

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 17-27 are rejected under 35 U.S.C. 103(a) as being unpatentable over Dictionary of Business Terms.

In the previous office action, the examiner took Official Notice that it is well known in the art to consolidate loans into a single payment. The applicant's response to the rejection is nonresponsive in that it is not clear if the official notice is being seasonably challenged.

Respectfully,
